

Email Your Counselor

You may email your counselor with any questions you might have. Since she will frequently be on the telephone with another scholarship recipient when you try to call her, emails are often more expedient than a phone call. Counselors cover multiple schools and regions in Florida. To find your counselor's name, select the school where you are attending classes. For more information, call 877-FL-TEACH [877-358-3224]. We will return your call within 24 hours, and usually within several hours, so you only need to leave one message.
